Dear Jack,

Channel Ventilated Filter Cigarettes
Project Sauna
Our File: G1011

Further to Nick Marlow's letter of 26th August, 1987, I enclose amended pages 3 and 4 of the Review of Patents and Applications including the awaited information from Italy.

A review of our files shows that there appear to be no further outstanding enquiries in this matter. As the current activities against the patents and applications of interest are under review, I will make no further enquiries unless otherwise instructed. As the Review is complete, this seems a convenient time to send you a note of our charges, which I now enclose.

Yours sincerely,

J. H. Bass
